ABOUT REEA GOLD GSI #2

The second of three IDW's created and presented by REEA's own members that focuses on How to Executive These Five Principles of a Dynamic Classroom.

This is NOT your Typical IDW!

Join in on a fun, collaborative day that will take your instructor skillset to new heights.

Make every presentation the best it can be and achieve greater satisfaction and enjoyment for you and your students as we learn to apply interactive teaching tools to every classroom we write and teach!!

REEA's Gold Standard Certification, a three-part Instructor Development Workshop, is designed to enhance instructor delivery and improve student learning.
